

BASSAM MOHAMMED ALDRHAM

Cybersecurity Analyst | Penetration Tester

0550235153 | bassamaldrgham@gmail.com | [linkedin.com/in/bassam-ldhirgham](https://www.linkedin.com/in/bassam-ldhirgham)

professional profile

Cybersecurity graduate (GPA 4.76/5.0) First Class Honors with hands-on experience in penetration testing and cloud security. Conducted vulnerability assessments and security monitoring on Azure environments. Focused on identifying security weaknesses and strengthening organizational defenses.

Education

Diploma in Cybersecurity | Imam Muhammad Ibn Saud Islamic University | Jan 2026
GPA: 4.76/5.0 (First Class Honors)

Certifications

CompTIA **Security+** (Feb 2026)
Cisco **Ethical Hacker** (Jan 2025)
AWS **Cloud Essentials** (Oct 2024)

Professional experience

Cybersecurity Intern | Tasheer Solutions for Tourism and Travel | Aug 2025 - Dec 2025

- Conducted vulnerability assessments and penetration testing using Burp Suite and Nmap
- Monitored Azure security configurations and analyzed firewall logs for threat detection
- Analyzed network traffic and documented security findings in technical reports

Technical Skills

Offensive: Burp Suite, Metasploit, Nmap, Nessus, Wireshark, Kali Linux, HID Payloads
Defensive & Cloud: Azure Security, AWS (IAM/EC2), SOC Operations, Firewalls, IDS/IPS

Key Projects

HHTTP/HTTPS Honeypot System (2nd Place - Best Graduation Project)

Deployed honeypot to capture and analyze real attack attempts

Recommended network hardening strategies based on analysis

Physical Security Testing (BadUSB)

Conducted authorized penetration tests using custom HID payloads

Identified endpoint vulnerabilities leading to stricter USB policies

Soft Skills

- Team Collaboration
 - Attention to Detail
 - Continuous Learning
 - Time Management
 - Analytical Thinking
 - Adaptability
-
